

Inclusive practices for Teacher Aides

Make inclusion come alive in your school

This course supports you to develop practices that create a more inclusive culture. Led by expert facilitators, you will:

- explore barriers to inclusion and
- undertake a short action research project
- apply the UDL framework in practical ways
- engage in and apply best practice research
- make links to the NZC refresh / Te Mātaiaho
- receive online community support.

This course includes

- 4.5 hours delivered in 3 workshops
- flexible delivery, online or face-to-face
- follow-up activities between workshops
- meets competency framework category 6
- online community and facilitator feedback.

Cost and dates

- \$500+gst per person
- At your school, or online options available
- TA wages reimbursed by MoE
- Limited numbers of participants

Fully funded by the Ministry of Education
